Tuition	$ 900.00
Uniforms	350.00
Fees	200.00
	$1450.00

At Augusta all cadets wear the uniform during their entire residence at the Academy. Since this replaces the cost of buying new civilian clothes, it should not be considered exclusively as an additional school expense.

The uniform deposit is based on the average and should not be taken as final. Please note that the Uniform Deposit, and all fees are required on entrance. All checks should be made payable to the Augusta Military Academy, and all checks should be mailed to the Academy. Under no circumstances should a check be sent to a cadet for delivery to the financial office.

Statements are sent to each parent in January and on or about 15 June. Any unused portion of the uniform deposit will be credited to the cadet's account.

A reduction of $50 for the sons of ministers and a similar reduction for brothers is made by the school.

Day Student Tuition and Fees

Day student tuition is $500.00 (The tuition includes lunches). Uniform cost generally does not exceed $250.00. The additional fee of $175.00 is required on entrance.

Important Information

Upon request, information concerning the monthly payment plan will be sent.

Monthly payments may be arranged if desired. This must be done by arrangement with a company, contracted by the school.

If, under any of the above mentioned methods of payment, the account is behind 60 days, the parent will be requested to withdraw the cadet. No transcripts are forwarded until accounts are settled in full.

The parent must realize that the application and contract for tuition and fees is for the entire school year and that he is responsible for the entire tuition and fees for the entire school year, even if the cadet is dismissed or withdraws.

Under no circumstances will the diploma and/or credit for work done at Augusta be given to any cadet until his account with the Academy is settled in full. A $15.00 diploma fee is required of graduating seniors.

Supplies

Cadets must be supplied with the articles listed below. They may be purchased at home and brought with him to school or purchase may be made at the Academy.

We request that shoes be purchased at the school for the purpose of uniformity. A factory representative will be at the Academy during registration for the proper fitting of shoes. Cadets may bring only athletic shoes, basketball shoes, bedroom slippers, and regulation black shoes.

Each article should be distinctly marked with the owner's name. A black laundry pen does a satisfactory job.
